Subject: Re: Daily Report 4/27/2018 Portland Harbor PreRD investigation - Fish acoustics study
Date: Friday, April 27, 2018 7:09:56 PM

Thanks for the detailed report and photos Madi. We have staff doing oversight on surface sediment sampling and fish tagging all next week. I am available Monday for a call if you would like to discuss this or any DEQ oversight of these activities.

Good Evening,

Please see attached daily report. I'll send the photos in a separate e-mail given DEQ limitations on file size.

Please let me know if you have any questions.

Have a good weekend,

Madi
